**Revision #4: EXTENDING THIS CONTRACT UNTIL 02/20/01.**

---

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

Entities within these zones are not required to use this contract if hourly rates plus travel and per diem charges exceed that which could be obtained locally from other contractor sources. The intent of this contract is for projects expected to be less than \$2,000.00 each. Larger projects are to be bid separately.
